

Nishkam's Humanitarian Work Receives Recognition from Punjab Assembly Speaker

In the wake of the devastating floods that struck the Ferozepur district in August 2025, the Nishkam Sikh Welfare Council has been at the forefront of critical recovery efforts. Led by the dedication of our volunteers and the support of our donors, we have completed the first and second phases of reconstructing a vital embankment at the villages of Dona Mattar and Rajni Wala.

This infrastructure project, recently reviewed and praised by Punjab Assembly Speaker Kultar Singh Sandhwan, is essential for protecting thousands of residents and local crops from future disasters—mirroring the resilience shown during the historic floods of 1988 and 2023. Beyond physical infrastructure, your contributions have allowed us to initiate the reconstruction of six homes for displaced families and provide essential medical aid and livestock fodder to the affected regions.

Our commitment to the community remains holistic, bridging the gap between immediate relief and long-term empowerment. Previously, Nishkam facilitated the education of 244 children across four local schools by covering ₹3,32,000 in tuition fees, ensuring that the disaster does not derail their future. Additionally, our monthly pension program continues to support 16 vulnerable families with a stipend of ₹4,000 each.

From our "Oxygen Langars" during the pandemic to our current engineering projects led by experts, Nishkam remains a steadfast pillar of humanity. We thank our donors for making this life-saving work possible and for helping us rebuild stronger, safer communities.

Empowering Merit: Nishkam Scholarship Interviews Held in Punjab and Delhi

Nishkam recently held scholarship interviews for meritorious college students from economically disadvantaged families in Punjab and Delhi, following successful preliminary examinations on March 7 and 8, 2026. A total of 474 students qualified for interviews conducted at various locations including Guru Nanak Dev University and Gurudwara Sahib Khalsa Diwan. Experienced mentors assessed the students' academic and professional potential while providing career guidance, motivational support, and personalized counseling. This initiative underscores Nishkam's commitment to recognizing and nurturing talent, empowering deserving students, and supporting their educational ambitions with confidence and direction.

A Historic Achievement in Service: Sri Guru Singh Sabha Janak Puri Establishes a New Benchmark for Generosity

Harbhajan Singh (center), President of Nishkam, receives an honor and donation cheque at Gurudwara Sahib.

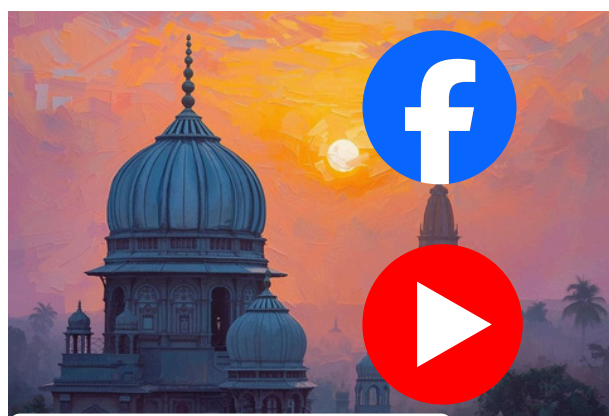

In a powerful manifestation of Sarbat da Bhala—the selfless service for the welfare of all—Sri Guru Singh Sabha Gurudwara (B-2 Block, Janak Puri, Delhi) has partnered with Nishkam to ignite the dreams of aspiring students.

In a historic gesture of compassion, the Gurudwara Committee has committed to an annual donation of ₹2 lakh dedicated specifically to student scholarships.

This marks a significant moment for our community, as they become the first Gurudwara Committee to step forward with a recurring commitment of this nature. By choosing to invest directly in the academic future of underprivileged youth, the committee is ensuring that financial hardship no longer stands as a barrier to excellence.

This partnership is more than a donation; it is a profound vote of confidence in the potential of our students and the power of education to transform lives. We extend our deepest gratitude to the leadership at Sri Guru Singh Sabha for their trust and visionary support.

Their leadership serves as a beacon of hope and a call to action. We hope this selfless initiative inspires other organizations and individuals to join us in this mission.

Punjab Government Honors Nishkam Coordinator Harvinder Singh for Two Decades of Selfless Service

Harvinder Singh, a long-serving volunteer and Coordinator for the Nishkam Sikh Welfare Council, exemplifies the spirit of "Nishkam Seva"—selfless service without expectation of reward. Recently recognized by the Punjab Government during the "Sade Buzurg Sada Maan" program, his remarkable contributions over 20 years were acknowledged by Cabinet Minister Dr. Baljit Kaur.

Harvinder's dedication has significantly impacted various areas of service: he has empowered underprivileged students by providing educational materials; facilitated marriage arrangements for daughters in need; and ensured essential relief through monthly rations for vulnerable families. This acknowledgment not only honors Harvinder but reflects the collective commitment of the Nishkam family, which has served for 41 years from Nishkam Bhawan in New Delhi.

Field Visits Confirm Steady Progress of Sikligar Students

From March to April 2026, Nishkam coordinators conducted regular field visits to schools across Uttar Pradesh and Haryana, particularly in rural and outskirts regions. The visits included meetings with school authorities, students, and their families to review attendance, assess academic performance, and address any challenges affecting students' education.

The coordinators expressed satisfaction in observing that Sikligar students are performing well and showing consistent academic progress. These visits also helped ensure effective implementation of support provided by Nishkam, including payment of school fees, provision of stationery, and coverage of essential educational expenses.

Through this continued monitoring and support, Nishkam remains committed to empowering children from nomadic and economically weaker Sikligar families, ensuring uninterrupted education and encouraging them toward a more secure and self-reliant future.

Avneet Achieves a Proud Academic Milestone

A bravo moment for all of us! Avneet Kaur secured 3rd position in Class 3 at Shanti Public School, Raghunathpur, Uttar Pradesh, and was honored by the school principal with a medal and certificate for her excellent performance. She belongs to the Sikligar community and is among the 15 student beneficiaries who successfully completed the 2025-26 academic session with commendable results. Such achievements reflect the hard work of the students and the continued support of generous donors and well-wishers who are helping underprivileged children access quality education and build a brighter future.

Behind Every Headline is a Supporter Like You

The inspiring work of Nishkam is making headlines and touching lives—this recognition belongs to every donor and supporter who believed in the mission. Your support is not just creating impact on the ground, but also inspiring hope that is now being celebrated far and wide.
